dwf advantage

A market leading online learning solution, tailored to suit your business needs.

DWF Advantage is a new way of integrating online learning into your business. Designed with small to medium-sized businesses in mind, the training spans compliance and legal, business skills, management and leadership and customised content.

What can you learn with DWF Advantage?

With over 30 modules already developed, our content is designed in-house, and used by many of our award-winning teams.

We have created three key learning categories, each containing up-to-date content, relevant to small and medium-sized businesses, and a range of sectors and areas of work.

A brief overview of our modules

We have also developed a number of stand-alone modules, focusing on specialist skills, perhaps relevant to only one industry. These include, for example:

– **DWF Conforma:** A suite of courses designed to help you navigate your business through complying with the new FCA regulatory regime. It provides a flexible and cost-effect means of understanding how compliant your business is.

Business Skills

Topics covered are:
– Agile working
– Change management
– Email stress
– Getting started with Social Media
– Influencing, assertiveness and negotiation
– Managing your priorities
– Presentation skills

Compliance and Legal

Topics covered are:
– GDPR
– Understanding maternity leave
– Introduction to first aid core skills
– Control of substances hazardous to health (COSHH)
– Fraud prevention
– Health and safety
– Information security

Management & Leadership

Topics covered are:
– Becoming an effective leader
– Developing people in the workplace
– Managing for efficiency and effectiveness
– Optimising team performance
– People management procedures
– Understanding the management role
– Using teamwork to boost performance

Other courses are available in each stream please contact us for a complete list.

Technical requirements for DWF Advantage

DWF Advantage is a cloud-based solution as such it can be accessed from any device connected to the internet, it is fully mobile and tablet compatible.

How much does DWF Advantage cost?

When you subscribe to DWF Advantage you select which of the three core learning categories you want access to. Once you have purchased a subscription, you receive access to all of the learning modules, within that category.

Our pricing is based on an annual licence fee and is tailored to the client, reflecting the size of the organisation, number of users and how many of the three learning categories are accessed. For example, for a small business (no more than 40 employees) this could be:

– 1 learning category - £120 per learner

– 2 learning categories - £190 per learner

– All three main learning categories - £250 per learner

Customised modules are priced on application.

Custom dashboards and branding are also available for all content on DWF Advantage, contact us to find out more.

For compliance modules deadlines, annual refreshers and reminders can be configured at no extra cost.

Why chose DWF Advantage?

What sets us apart is the expertise that our people can offer in developing and validating the content of the learning.

As part of your subscription, you get access to reports and management information on the activity and course completion of your learners. These can be access on-demand or scheduled to meet your business needs.

Beyond borders, sectors and expectations

DWF is a global legal business, connecting expert services with innovative thinkers across diverse sectors. Like us, our clients recognise that the world is changing fast and the old rules no longer apply. That's why we're always finding agile ways to tackle new challenges together. But we don't simply claim to be different. We prove it through every detail of our work, across every level. We go beyond conventions and expectations.

Join us on the journey.
