“We recently conducted a Champion Challenge using DWF’s Recoveries team against an incumbent supplier for our Allstar business. If this had been a boxing match I’d have stopped the fight in the first round! DWF are clearly a heavyweight in their field and it is reassuring to know that they are doing the best job possible. The fact that I am able to measure their performance weekly and also work with them conducting Champion Challenges against other DCA’s is the cornerstone of, what is becoming, a successful partnership.”
